additional overseers and incidental expunses.

Instead of no roads or toll pikes, we would scon howe free reads of the best make: No cry could be raised that free insole is being deprived of work, because this very improvement would eslarge our farming facilities and create an immense demand for free labor to the property of the control of the contr

WE believe with the Louisville Com

ol says.

The thorgia colliors who have been excur-ning through Olio found much to admir-ted properso. Sides and aren in the transport of the colling and the colling and one saying piecessit things about both, and we fail blenker is very different person-tic a magnetic, handsome, engaging set of the colline. Zharen insuling this travet to im-projudice and bitterness remains in this entity would be disquared if the people of it the people who stay in the same piece who was a superior of the colling and the colling on who are not not colling and on the colling and on who are most narrow and sectional and quilled.

men who are most narrow and sectional and projectived.

There can be but little doubt hat what the next Legislature will pass a Sill establishing a State Board of Immigration. Representative men from different parts of the State met in convention at Louisville tast week and adopted resolutions, which will be presented to the members of both houses, calling upon them to pass such a bill. Efforts have been made before the Legislature beer down to get them to the such a bill. Efforts have been made before the Legislature beer down to get them to State Legislature on the such a bill. It is believed now that the measure will go through the next body. The subject is attracting attention in most every county in the State and the desire for a State Doard of Immigration is pretty general. Board of Immigration is pretty general. Nothing would prove of more value to the

The work of discharging Democratic officials goes bravely on at Washington Last week twesty-live competent Democratic efficials were turned out of the Government Printing office. The Hepoblicans are best on baving all the offices and belore Harrison's term of office is half out there will not be a Democrati in the service even down to a cruse roads post-office.

Tue next Legislature had better make an appropriation to establish a home in Kentaky for divorced bushands. Divorce suits are on the increase and it is hard to tell what is to become of the poor unfortunate bushands if some provision is not make fur them. As to the women they seem to ho able to take care of themselves

It is said that the closing of a Massa-husetis hustle factory put 600 girls out of impfoyment, but it is not stated how nony it put out of shape.

CINCINNATI and Chicago are both in search of Neural gas, we indestend. Well, why in the deuce don't Cincinnati and Chicago send in there orders. We've got plenty of it hare.

Mr. J. D. Beiden who ran egainst Hon.
A. B. Monigomery in this district for Congress, has been eppointed postmaster at Lehannn, Ky. Nuw where is Col. Laf.

THE BEST MACHINE KNOWN.

Many years of experience and abundant facilities for the manufacture of sewing machines enables us to present a machine that will be fully equal, and in many respects superior, to any in the market.

Its high finish; its capacity and power to sew light and heavy fabrics without changing the tension;

The Arrangement to Regulate the

MANY OTHER IMPROVEMENTS
will make it a favorite not only with families, but for manufacturing purposes. In constructing this machine, it has been our
aim to secure durability as well as mechanical excellence, and also
to avoid the use of springs.
